## QM 6. Quality Policy

RUSHBROOK recognises that the disciplines of quality, health and safety and environmental management are an integral part of its management function. We view these as a primary responsibility and key to good business in adopting appropriate quality standards.

Our Quality Policy calls for continual improvement in its quality management activities and business is conducted according to the following principles.

- We comply with all applicable statutory laws and regulations
- We act on our responsibilities to the environment, the community, our employees, suppliers and clients
- We follow a concept of continual improvement and make best use of our management resources in all quality matters
- We communicate our quality objectives and our performance against these objectives throughout the RUSHBROOK and to interested parties.
- We work in partnership with our Clients in a relationship that is mutually beneficial
- We work with our suppliers to establish the highest quality standards
- We support continuing professional development of our staff
- We train our staff in the needs and responsibilities of quality management
- We deliver a service in accordance with the highest professional and ethical standards
